Effective Members

Associations and interest groups representing the noise barrier sector at national level. Each Effective Member has one voice voting. If there is no national noise barrier association, at least three companies from the same country can form a national interest group with one voice voting.

Ticking here to become an Effective Member of the European Noise Barrier Federation (ENBF). Annual fee € 1.175,00

Associated Members

Companies or individuals not responding to the above mentioned "Effective Members" definition. Associated Members have no voting rights.

Ticking here to become an Associated Member of the European Noise Barrier Federation (ENBF). Annual fee € 666,00

Signature & Stamp
